

Located in Milford, Delaware,
Response Computer Group has been
providing business solutions since 1983.

Our staff is excited to begin working with
you to ensure a smooth transition and
help your business into the future.

We look forward to continuing the
relationship and high level of support that
has been provided for your Open Systems
software needs.

Please reach out to us with any questions
or if there is anything we can do to assist
in making this a seamless changeover.
