## It's time to get current

OSAS version 7.6 and TRAVERSE version 11 from Open Systems, Inc. were designed to help you perform tasks faster and more effectively. You will enjoy streamlined business processes and more relevant information with software advances in technology and functionality. Benefits of upgrading include:

- Highly adaptable applications
- Advanced inquiry features
- Tools to personalize and design your system
- The power to help you seize control of your data

To learn more about the benefits of upgrading, contact Response Computer Group by calling **800-957-4724** or email **randy@rcgweb.com**. Also ask about convenient financing plans.

## RCG Special Upgrade Promotion
