## The warmer it gets here in Minneapolis, the larger your discount!

From February 1 through February 28, you can receive a discount when you add regular applications or users to your TRAVERSE or OSAS system. ***Your discount will equal the high temperature of the previous day in Minneapolis.\**** (Discount does not apply to maintenance.) Check our website daily at [www.osas.com](http://www.osas.com) for yesterday's high temperature.

Example - you place your order on February 17. The maximum temperature in Minneapolis on February 16 was 28 degrees, so you receive a 28% discount.

To take advantage of this February promotion from Open Systems, contact your authorized software provider or call us at 800-328-2276.

P.S. Mark your calendar for this year's customer conference, August 13 and 14 at the beautiful Radisson Blu Hotel at the Mall of America in Bloomington, MN! (We promise it will be even warmer by then.)

\*Clients must be current on maintenance to take advantage of the discount.
